Sir:

Pursuant to 37 C.F.R. § 3.81(b), Patentees hereby request that the above-referenced U.S. Letters Patent be corrected to state the name of one of the assignees, New York University. A request for a Certificate of Correction under 37 C.F.R. § 1.323 (See also MPEP § 1481 and § 307) is enclosed herewith.

In the Assignee section on the front of the issued patent, "New York University School of Medicine" should be corrected to recite "New York University" for the following reasons.

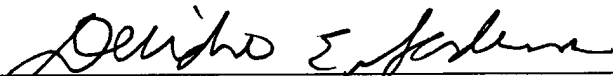

The Assignment was submitted for recordation as set forth in 37 C.F.R. § 3.11 and properly recorded before payment of the issue fee, which was paid on June 8, 2005 in the above-referenced patent. At the time of preparation of the issue fee transmittal, however, a clerical error occurred wherein "New York University School of Medicine" was listed as an Assignee.

Patentees are filing this request to name properly New York University as one of the two assignees. In the parent Application No.: 09/133,119 (now U.S. Patent No.: 6,277,969), the Assignment to New York University was recorded on December 28, 1998 at reel/frames: 9662/0984-0988. The Assignment to Centocor, Inc. was also recorded on August 12, 1998 at reel/frames: 9392/0033-0040. Copies of the recorded Assignments, Recordation Form Cover Sheets, Notices of Recordation of Assignment Document and Patent Assignment Abstract of Title in the parent Application No.: 09/133,119 (now U.S. Patent No. 6,277,969) are also enclosed. Therefore, the correct assignees for the above-referenced patent are **New York University, New York, NY** and **Centocor, Inc., Malvern, PA** as recorded at the U.S. Patent and Trademark Office Assignment database.

Patentees agree to pay the required fee. Enclosed is a check in the amount of \$230.00 for the processing fee required by 37 C.F.R. § 1.17(i) as well as for the fee set forth in 37 C.F.R. § 1.20(a) for a request for a certificate of correction under 37 C.F.R. § 1.323. Please charge any deficiency or credit any overpayment to Patentee's Attorney's Deposit Account No. 08-0380. A copy of this letter is enclosed for accounting purposes.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.

JointASSIGNMENT

WHEREAS, we, Peter Daddona, John Ghrayeb, David M. Knight and Scott A. Seigel have, together with co-inventors Junming Le and Jan Vilcek, invented a certain improvement in ANTI-TNF ANTIBODIES AND PEPTIDES OF HUMAN TUMOR NECROSIS FACTOR described in an application for Letters Patent of the United States, the specification of which:

- ☒ is about to be filed in the United States Patent Office;
- ☐ was filed on _____ as Application No. _____;
- ☐ was patented under U.S. Patent No. _____ on _____.

WHEREAS, Centocor, Inc. (hereinafter "ASSIGNEE"), a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and having a usual place of business at 200 Great Valley Parkway, Malvern, Pennsylvania 19355-1307 desires to acquire an interest therein in accordance with agreements duly entered into with us;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to said invention as described in said application, together with the entire right, title and interest in and to said application and such Letters Patent as may issue thereon; said invention, application and Letters Patent to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made; we hereby convey all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent. We hereby acknowledge that this assignment, being of the entire right, title and interest in and to said invention, carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all such Letters Patent to ASSIGNEE for its own name as assignee of the entire right, title and interest therein;

AND, we hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention to said ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of applications for patents in foreign countries, and the execution of substitution, reissue, divisional or continuation applications and preliminary or other statements and the giving of testimony in any interference or other proceeding in which said invention or any application or patent directed thereto may be involved;

AND, we do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives.

ASSIGNMENT

WHEREAS, we, Junming Le and Jan Vilcek, have, together with co-inventors Peter Daddona, John Ghrayeb, David M. Knight and Scott A. Seigel, invented improvements described in the United States Letters Patents and applications for United States Letters Patent attached hereto and made a part hereof as Schedule A (hereinafter "PATENTS AND APPLICATIONS"); and

WHEREAS, New York University (hereinafter "ASSIGNEE"), a corporation organized and existing under the laws of the State of New York, and having a usual place of business at 550 First Avenue, New York, New York 10016 has acquired an interest therein in accordance with agreements duly entered into with us;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to said inventions as described in said PATENTS AND APPLICATIONS, together with the entire right, title and interest in and to said PATENTS AND APPLICATIONS and such Letters Patents as may issue on said applications; said inventions, said PATENTS AND APPLICATIONS, and such Letters Patents to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patents may be granted as fully and entirely as the same would have been held by us had these assignments and sales not been made; we hereby convey all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patents. We hereby acknowledge that this assignment, being of the entire right, title and interest in and to said inventions, carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patents by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all such Letters Patents to ASSIGNEE for its own name as assignee of the entire right, title and interest therein;

AND, we hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid inventions to said ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of applications for patents in foreign countries, and the execution of substitution, reissue, divisional or continuation applications and preliminary or other statements and the giving of testimony in any interference or other proceeding in which said inventions or any application or patent directed thereto may be involved;

AND, we do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patents as shall be granted upon said application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives.
